

FLASH: Provider Resources Has A New Look

September 1, 2020

We're thrilled to announce new and exciting changes to our provider portal. Starting today, September 1, all of our providers will notice a fresh new look to the Provider Resources page of their respective portals on YourHealthAlliance.org. The navigation is more user-friendly and the overall experience has been enhanced.

Here, as always, you'll find valuable resources and information to make your job easier. From one convenient place, the Provider Resources page lets you access numerous forms, manuals, training resources and other materials online.

You'll notice the functionality remains similar, but our new look provides enhancements and user-friendly touches. Check out this [screen image](#) for reference or go to YourHealthAlliance.org to try it out for yourself.

We're excited, as always, to provide tools and resources that make your job easier. If you have any questions, please contact your provider relations specialist.
